The XRX Pioneer Club, a not-for-profit organization. Membership is open to all current and former Xerox employees and contract employees with five (5) or more years of service, and who are fifty (50) years of age and up. You spent years within the company helping it grow, making new friends and representing the company within your community. When you retire, your relationship with the company doesn't have to end. Throughout your career you formed friendships with others who share a common history. The Pioneer Club is a way for you to keep in touch with many of your friends and colleagues through numerous social, intellectual and physical activities. The Pioneer Club is run and organized by active retiree volunteers.
